

ELMLEY NEWS

LET YOUR LIGHT SHINE!

Dear Families,

Welcome back after the half-term break. It has been lovely to return to school with the sun shining and such a positive start to the term.

The building work is now well underway. The foundations have been laid and the children were fascinated watching the concrete mixers pouring in the concrete. It has been an exciting process for them to see and we look forward to sharing further updates as the work progresses.

The children have settled wonderfully into their new classrooms and routines, and it has been lovely to see them so focused and ready to learn.

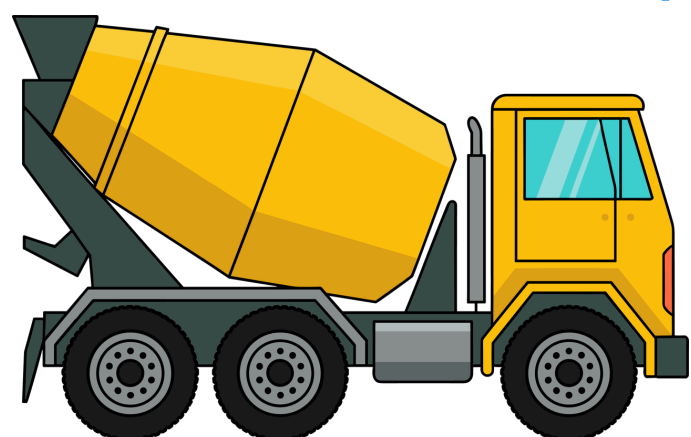

We were incredibly proud of the children who represented the school in the netball and football matches against Sedgeberrow. They showed great resilience, teamwork and excellent sportsmanship throughout, a real credit to the school.

World Book Day was also a fantastic success. Thank you for the wonderful effort that went into the children's costumes. We are very grateful to the PTA for organising such a lovely afternoon tea filled with reading and shared enjoyment of books. It was a really special way to celebrate together.

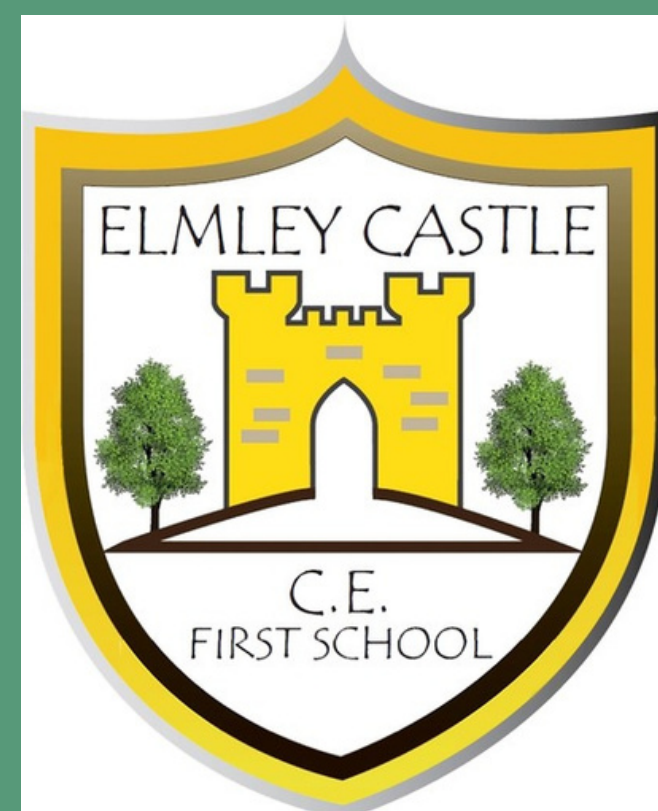

We are looking forward to the weeks ahead, including celebrating National Science Week and many more exciting learning opportunities.

Thank you, as always, for your continued support.

REMINDER

For all wrap around care please book via Parent Pay or the office for funding/tax free child care vouchers.

THANK YOU!

A massive thank you to our PTA for our new netball goals and Bibs.

We are using them for PE lessons. We also have an exciting Cluster Netball tournament coming up, we cannot wait to show them off!

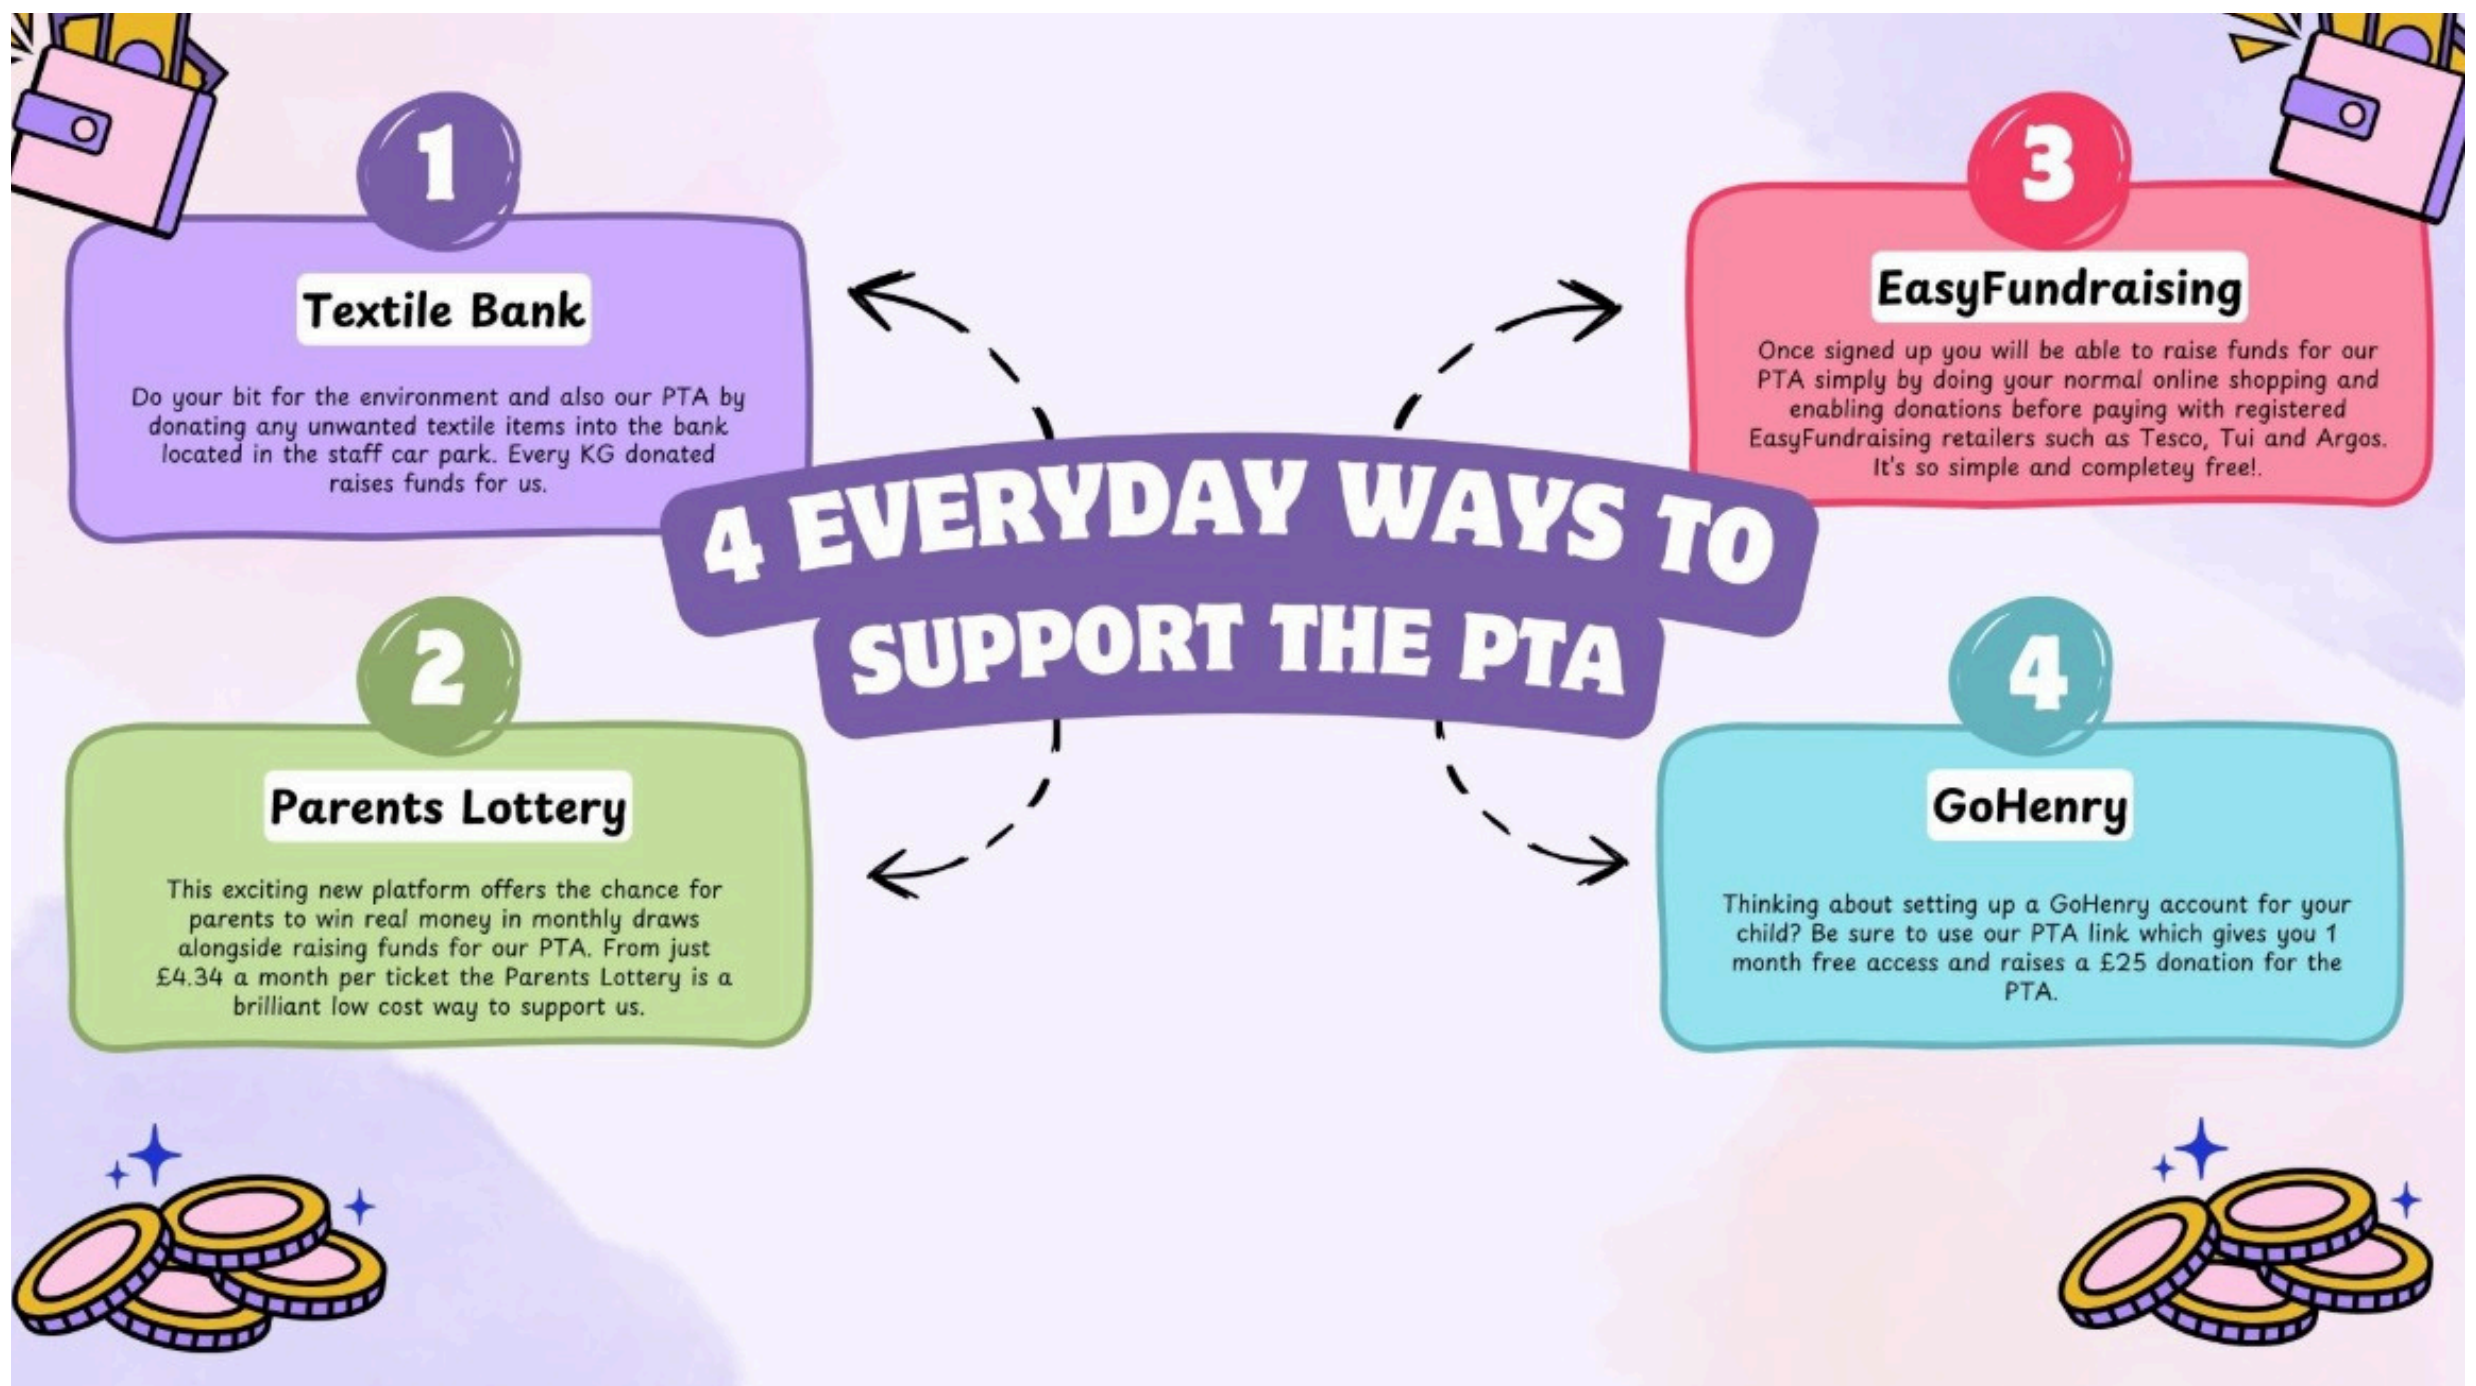

Not only this...all children were treated to a Mad Hatters Tea party on world Book day!

We could not of done this without the hard work and support of the PTA.

Thank you for your support as families to our school!
